Our Commitment

"NATION BUILDING THROUGH SPORTS"

Contribution to the Sports Ecosystem: Yashoda Technical Campus

Satara is a city with a rich history, predating the time of Shri Chatrapati Shivaji Maharaj. It is well-known for its contributions to various fields, especially sports. India's first individual Olympic medal in wrestling was won by Late Khashaba Jadhav, and more recently, Miss Lalita Babar from Satara district qualified for the Olympic finals in athletics.

Independence Day and Republic Day are celebrated with great enthusiasm, and National Sports Day on August 29th, the birth anniversary of Major Dhyanchand, is observed with various sports events. Our campus has actively participated in Zonal /Inter-Zonal/National sports tournaments such as Volleyball, Cricket, Kabaddi, Badminton, Basketball, Chess, Kho-Kho, Football, Athletics, and other individual sports. Regular practice and management motivation helped us achieve excellent performance.

Our visionary Founder President, Hon. Mr. Dasharath Sagare, has always been deeply committed to the field of sports. His passion and constant motivation have enabled us to organize and participate in various tournaments, particularly in sports organized by Shivaji University in the Satara Zonal Inter-University Sports. The campus also houses a Gymkhana Committee dedicated to sports development. Through various programs, we arrange blood donation camps and health awareness activities, promoting both physical well-being and community service.

Yashoda Technical Campus is committed to nurturing a strong sports culture, providing top-tier sports infrastructure, expert coaching, and opportunities for students to compete at various levels. Events like the Yashoda Sports Meet allow students to showcase their talents and develop teamwork, discipline, and leadership skills. Beyond competitive sports, the campus promotes overall fitness through yoga sessions, fitness camps, and wellness programs, offering scholarships and incentives to talented athletes, ensuring their holistic development.

Yashoda Technical Campus: Excellence in Education and Holistic Development

Yashoda Technical Campus is a premier institution dedicated to providing quality education across various disciplines, including Engineering, Management, Pharmacy, and Applied Sciences. With a state-of-the-art infrastructure and a highly experienced faculty, the campus ensures that students receive a blend of theoretical knowledge and practical exposure, preparing them for the evolving demands of the global industry. In addition to academic excellence, Yashoda Technical Campus actively promotes extracurricular activities, particularly in the field of sports.

NATION BUILDING Through SPORTS

Dear Sports Enthusiasts,
Inspired by Swami Vivekananda's timeless words, "Our country needs a few strong men with muscles of iron and nerves of steel," I have always believed in the transformative power of sports to shape individuals and build a stronger nation.

Sports have been an integral part of Yashoda Technical Campus's values since our inception. We strive to integrate physical fitness and wellness into academic life, understanding that a sound mind resides in a healthy body. I remain deeply committed to inspiring the younger generation to embrace the essence of sportsmanship, physical fitness, and yoga, encouraging them to lead a life of discipline and vigor.

The Sports Mania embodies the vision by promoting health awareness, offering a platform for athletes to showcase their skills, and fostering unity and spirit among participants.

Bharat Mata Ki Jay!

Prof. Dasharath B. Sagare
Founder, President YSPM, Satara

Yashoda Technical Campus, Satara is always keen to follow the ideals of the great noble son of India, Swami Vivekananda.

"Give me a few men with muscles of iron and nerves of steel and I will change the face of Mother India."

These words are a great source of inspiration to the management & students of Yashoda Technical Campus, Satara
